Day 1: Safari Club SA, Johannesburg

South Africa

One of the most culturally and geographically diverse places on earth, South Africa, fondly known by locals as the 'Rainbow Nation', boasts 11 official languages, and its inhabitants are influenced by a fascinating mix of cultures. Discover the gourmet restaurants, impressive art scene, vibrant nightlife, and beautiful beaches of Cape Town; enjoy a local braai (barbecue) in the Soweto township; browse the bustling Indian markets in Durban, or sample some of the world's finest wines at the myriad wine estates dotting the Cape Winelands. Some historical attractions to explore include the Zululand battlefields of KwaZulu-Natal, the Apartheid Museum in Johannesburg, and Robben Island, just off the coast of Cape Town. Above all else, its untamed wilderness is astonishing: wildlife roams freely across massive unfenced game reserves such as the world-famous Kruger National Park.

Johannesburg

Johannesburg is one of Africa's largest and most vibrant cities. It is the economic capital of Africa and the gateway to Southern Africa. This bustling city offers a wide range of activities, attractions and plenty to do in and around the city including nearby Pretoria. Downtown is a multi-cultural mixture of traditional medicine shops, Chinese restaurants, taxi ranks and ultra-modern skyscrapers. There are excellent museums, art galleries and organised tours of historical and political interest. The shopping is Southern Africa's best and the many restaurants cater for all tastes. The nearby township of Soweto is Johannesburg's most popular tourist attraction.
